Ok this first batch is a series of text messages with the date starting on August 12th. I've blurred out some stuff that isn't relevant but shows us communicating on the organic pickups and how we weren't doing anything. And the text "any update from Leslie/Sara" is Sara at NYP who Leslie had called trying to pitch a negative story about Justin. Sending another batch shortly

This next one (where I call her Leslie Dart instead of Sloane) but is time stamped from August when we got the news. There are sensitivities of Sara and Melissa being sisters but we're never given any favors with her.

This was the first piece of press the broke in August that was done by her team. I'll send shortly emails of us engaging with reporters and stating there was no comment from our end.

OK, I'm going to review all of these in a couple of hours. I'm just doing a little bit of holiday shopping first. But I can't wait to dig in!

This is getting crazier by the minute. Any truth to this Deadline story (which WME wouldn't confirm) that Justin has been dropped by WME?

Crazy. I just got back from shopping, and someone on web team asked me to try to confirm. WME saying nothing. But you would know just as well.

I know it's crazy - and also confirming that the texts I share are also just off the record for now for review? I just want to make sure my colleague Katie's name isn't referred to as we're not named in the claim. Bryan is our lawyer on this who said he wants to chat with you as well
- TS Tatiana Siegal [REDACTED] 12/21/2024, 5:45 PM
Confirmed off the record. And yes, happy to talk to Bryan. Off the record, are there any plans to sue her?
- BB Breanna Koslow (Butler) [REDACTED] 12/21/2024, 5:49 PM
I think Bryan can speak further to that for sure because I'm not 100 percent sure
